

PRESS RELEASE - 02 OCTOBER 2024

Important pioneering work done together: Dr Jürgen Süß is leaving ECOOLTEC

Dr Jürgen Süß, Managing Director Technology, and ECOOLTEC Grosskopf GmbH have ended their collaboration. A successor is being sought. ECOOLTEC will be announcing further vehicle deliveries shortly.

ECOOOLTEC Grosskopf GmbH and CTO Dr Jürgen Süß are parting ways with immediate effect. A successor is being sought with due diligence. Henning Altebäumer, CEO of ECOOLTEC, will initially take on the overall responsibility in close co-operation with the division heads. All customers, suppliers and partners will have access to their familiar contacts in the Technology, Sales and Service divisions. 'We would like to thank Dr Jürgen Süß for his work over the past 2 and a half years. Together, we have introduced particularly sustainable refrigeration to the transport industry with the exclusive use of natural refrigerants. We wish Jürgen Süß all the best for his future career and continued success,' explains ECOOLTEC CEO Henning Altebäumer.

Trucks with ECOOLTEC transport refrigeration systems are now successfully in everyday use at well-known companies in Germany and England. Further customer vehicles will follow shortly.
